AN APPEAL

Dear Parents / Past Students / Friends / Benefactors / Well Wishers

Greetings to you from Good Shepherd Convent, Mysuru.

The Good Shepherd Convent School is a pioneer Educational Institution in Mysuru City. Imparting qualitative and value based education to all irrespective of caste and creed is our first priority.

We are in the 140th year of our presence in the city of Mysuru. We consider these as years of blessing since we have had the joy, privilege and honour of seeing thousands of students pass out of our Institution with flying colours. Many are well settled in India and abroad and holding responsible positions and giving to society from what they have imbibed during their formative years with us.

In our curricula we also focus on empowering women through education, making our school more accessible to them. We enlighten our students on social evils like human trafficking domestic violence, sexual harassment, disparity in education etc., Our students participate in rallies, walks and protests. Awareness programmes are organized in school on a regular basis.

While we still continue our mission of qualitative education to all, our urge to provide better facilities and quality infrastructure has moved us to go in for the construction of a new Composite PU Block. This is necessitated due to the fact that the existing buildings as certified by the engineers are beyond repair.

As you are well aware, our Institution has never collected donations and fees are minimal as we cater to the poor children. Hence we need your generous support to enable us to make this project a reality. The entire cost of construction which is in keeping with the Education Department requirements is estimated at 10 Crores. (Rupees Ten Crores only). **Sanction**

Your co-operation and generosity will be highly appreciated and always remembered. May God bless you and your family.
